1. I am most aware of the most laborious and detailed research and study that was undertaken so that reference memorandum on the "Rental Survey - [REDACTED]" could be produced. I believe this product is a tribute to the patience, tenacity, and reasonableness of all those who participated in the exercise.

2. I am somewhat fearful of mentioning any specific names for fear that because of inadvertence or lack of knowledge I might omit recording a significant participant. I therefore ask Messrs. McDonald and Fitzwater to extend my compliments to those who participated in this activity.
